

**Planning Commissioner's Written Comments  
February 10, 2015**

**Autopark Center (Z1400011)**

**HARRIS** – Voted approval.

**MILLER** - This small change to the development plan to permit better sire engineering at the expense of a buffer which is not really needed (against the 1000 plus acres Army Corps of Engineers land) makes logical sense to me and is not inconsistent with the comprehensive plan.
